

## POP-UP RANCH YELLOWSTONE AREA FLOODING UPDATE

You've likely heard the news about the unprecedented flooding in southwestern Montana and Yellowstone National Park. We are very fortunate to report that local access to the O.T.O. has been reopened and the ranch is undamaged.

In light of this news, the Custer Gallatin National Forest sees that we will still be ready to welcome you to our Yellowstone Pop-Up Ranch later this summer and we are moving forward as planned!

While the O.T.O. was unscathed, Yellowstone and our neighbors in Gardiner were not so lucky. If you are interested in helping, we've been recommended a few places to donate:

[Southwest Montana Flood Relief Fund – Great Gallatin United Way](#)

We look forward to welcoming you to the historic O.T.O. soon!
